Sir

I write to state that the Assistant Surgeon in charge of the L F Dispensary, Ganigarpet, who draws his pay from Government was being paid a House Rent allowance of Rs 12/- per month and he represented that this allowance was too inadequate to get suitable quarters, and that it may be increased to Rs 35/- per month In view of the high cost of living and great difficulty in securing suitable dwelling quarters, and in view of the fact that the Assistant Surgeon, L F Dispensary, Munireddipalyam (who is of an equal rank and status to this Doctor) is being given a house rent allowance of Rs 25/- per month, a recommendation was made to the Standing Committee (Health), and (Taxation &Finance) to enhance the allowance to Rs 25/- per month from 1st April 1951 and they at their meetings held on 17th January 1952 and 21st February 1952 approved of the above recommendation and this was finally sanctioned by the Corporation at their meeting held on 10th June 1952 This was communicated to the District Medical Officer, Bangalore, but when he presented the bill for the enhanced amount, it has been objected to in audit by the Accountant General on the ground that sanction of Government is necessary In these circumstances, I request that orders of Government sanctioning the above may be obtained early and communicated Copies of the resolutions of the -
